

“Be My Witness” is about joining a small faith group to:

- Become a more prayer-filled person and group
- Share and witness to our faith
- Create a sense of mutual support
- Better live our faith – our mission as Catholic people

There is a framework of scripture readings, videos and reflections to guide the group in a relaxed, informal setting. The plan is to meet 3 or 4 times before Christmas, 90 minutes each meeting (about every other week in November and December); then pick up again in the new year.

- See reverse side for choices of meeting days...

Small Faith-Sharing Groups are being formed!
